Why us?

Precis Screening partners with SAMSHA certified laboratories such as Alere, Labcorp and Quest. Clients can expect 24/7 service between our brick-and-mortar site and onsite capabilities.

Our collection technicians are trained in both Non-DOT procedures and DOT regulations.

From the client's organization assessment, client-side staff education, referrals for adverse result recipients, industry training and testing services, we leverage our expertise from start to finish

WHY CONDUCT DRUG & ALCOHOL SCREENING?

- Identify potential pre-employment drug users and avoid loss of recruitment and training costs.
- Reduce health and insurance costs with post-accident testing.
- Deter drug and alcohol abuse workplace impacts through random testing.
- Improve employee productivity and morale with reasonable suspicion testing.
- Promote safety in the workplace through return to duty testing
- Decrease in employee absenteeism, turnover and theft.

OUR SERVICE ROADMAP

Our partnership begins with listening to understand your business and needs.

We formulate compliant customer centric service offerings in response to your needs.

Your client portal can be used for donor activity, screening status, billing information and various reporting.

Your Service Level Agreement is closely monitored via statistical data. Updates are made post-client review.
