PRECIS SCREENING

Workplace Compliance &
Community Health Beyond Boundaries

OUR SERVICES

WORKPLACE COMPLIANCE AND SAFETY

We're dedicated to strengthening your workplace environment. Our Workplace Compliance and Safety Services are meticulously crafted to ensure your employees' well-being while keeping your business on the path of compliance.

ANNUAL HEALTH ASSESSMENT

- Reduce your risk of getting sick
- Detect potentially life-threatening health conditions or diseases early
- Increase chances for treatment and cure

DRUG SCREENING

Your safety comes first. Our 24/7 Drug Screening offers multiple testing options - Urine, Saliva, Hair Follicle and On-Site and Random Testing.

CONCIERGE RAPID ANTIGEN AND PCR COVID TESTING

Taking Rapid Antigen and PCR Testing is not just a precaution, but a crucial step for ensuring the safety of everyone involved. Our dedicated team of experts is fully equipped to guide you through the process of COVID testing, making the endeavor even more worthwhile.

OUR MISSION

- We envision a world where safety, health, and compliance converge to create a better tomorrow for us all.
- We empower organizations to enhance their safety protocols through expertise and empathy.
- We ensure accessible and reliable services regardless of geographic boundaries.
- We believe in working smart to make our client's work nearly effortless.
