

ABOUT MICHELLE

CEO

Sheila Michelle Foye is CEO of Précis Screening. Précis Screening is a premier Drug Screening, Clinical Laboratory and Transportation Compliance company with ancillary offerings of employer services such as background verification and I-9 automation.

Prior to becoming full-time CEO, Foye held various leadership roles as an HR & Finance Program and Project Management Leader. She has successfully delivered highly visible business and technical solutions across Big 4 consulting, Healthcare, Higher Education, Government, Financial Services, Utilities, Sales/Marketing, Staffing and multinational firms 20 years and counting.

Sheila Michelle earned a B.B.A., Management from Clayton State College & University. She continued her education with a MBA, International Business at Nova Southeastern University. She is a certified Scrum Master as well as certified Project Management Professional.

Sheila Michelle lent her professional experiences to the online classroom as a Facilitator for International Business, Student Workshops, and New Student Orientation for University of Phoenix (2008-2013).

Most recently, Foye established the Transportation & Medical Network, a national chain of Drug Test Centers & Clinical Laboratories dedicated to providing 24/7 support to Department of Transportation regulated companies.
